INSIDE/Below

There seems to be a definite lack of stimulus on the inside of this site. It is very dark and very cold.

SUMMARY

Site consists of a structure with an object or device in the middle of it that exerts control over another object or device that is remote. The remote object appears to be out in space. Very difficult to focus on people. All impressions seem shadowy. like they were just barely out of reach.

POST SESSION
OBJECT/DEVICE

OBJECT

metallic - silver-gray

faceted

hard - very hard

mirror-smooth

luster

crystalline structure

DEVICE

- issues forth something that controls direction and movement of remote object in space
- all light or radiations are repelled or reflected by the surface of this device. nothing can get in.
